Dear Pet Owner,

Thank you very much for choosing DuryDog's Pet Boarding.

Following is an owner's information sheet, a contract, a responsibility sheet, and a questionnaire. I know this looks like a lot of forms, but this will ensure that your pet(s) are receiving the best care possible.

After filling out the forms please email them, fax them back, or bring them with you when you drop your pet off. I will go over the forms either before hand if I have them or will go over them with you when you drop your pet off. If you bring the forms with you please allow yourself some extra time in case I have any questions.

If your dog will be staying at OUR house : You must provide proof that your pet's vaccinations are up to date. This not only includes regular yearly shots but the Bordetella or Kennel Cough Vaccine for dogs. I will accept vaccination certificates or vet records. Alternatively, have your vet fax or email a record of the vaccinations to me. No animal will be accepted unless these vaccinations are up to date.

You are welcome to bring what ever you feel will make your pet's stay more comfortable for him/her, for example, bed and bedding or favorite toys. I have a variety of feeding and watering dishes, bedding, crates, etc on hand so that you don't have to haul everything with you. When dropping off or picking up your pet please either keep them on a leash or crated.

If you have any questions or concerns please do not hesitate to call me at the above phone number.

Thank you once again!

Sincerely,

Kristen Dury
